3. Drone purchasing will follow the safety-in-design principles in the department's Purchasing Policy.

UNMANNED AERIAL VEHICLE (UAV) DRONE MISSION CHECKLIST

- Ensure drone hardware is intact and functional.
- Ensure drone batteries and remote control are fully charged.
- Calibrate drone as needed.
- Program flight plan and wear high visibility vests.
- Before flight, provide 30 second briefings on purpose of flight, including altitude, area to be covered, estimated flight time and secondary landing spot in case primary landing spot becomes compromised. Ask if anyone has any questions.
- Ensure non-pilots are at least 10 meters away from drone take off area. Ideally have traffic cones and rope for crowd control. Ask local police or other relevant authorities for assistance.
- Ensure there are no other hazards nearby and no aircraft in visible airspace.
- If near an airport, contact Air Traffic Control for permission to take off When ready to start motors, shout: "CLEAR FOR TAKEOFF".
- When motors are on, shout: "MOTORS ON".
- Drone pilots and spotters must NOT engage in conversation with anyone else, they must not be interrupted at any time unless there is an emergency.
- When drone is starting descent for landing, shout: "CLEAR FOR LANDING".
- When motors are off, shout: "MOTORS OFF".
- Turn off remote control first, then turn off drone.
- If near an airport, contact Air Traffic Control to inform them the drone has landed.
- Ensure flight is fully logged.

Ministry of Ports, Shipping & Waterways
(Sagarmala Cell)

3rd Floor, PTI Building,
Parliament Street,
New Delhi – 110001
Dated the April 22nd, 2024

To,
Chief Secretaries of States/UTs as per Annexure 2

Subject: Constitution of State Maritime & Waterway Transport Committees (SMWTCs) for monitoring and implementation of initiatives in the maritime and waterways sector in the State - reg.

Sir/Madam,

As you are aware there are a number of initiatives being taken up in the Ports, Shipping and Inland Waterways sector both at the Central and State levels. Many projects have been sanctioned under the Sagarmala and Skill development schemes apart from the schemes taken up by different ports, IWAI etc. These include infrastructure, connectivity, skilling, Inland waterway development, Inland waterway terminals, cruise tourism, ferries, Ro-Ro and RoPAx facilities and so on.

2. The schemes and projects require coordination at the field level to sort out issues and expedite delivery. Some stand-alone projects require integration with nearby coastal, ocean and riverine transport systems apart from multi-modal connectivity infrastructure. There is a need for overall management and integration of the waterways transportation sector and its constituents within each state like Major ports, Non-Major Ports, National and State water ways, coastal seaways etc. so that crucial missing links are recognized and planned for in a synergistic manner and acted upon. So also cruise tourism, green urban water transport etc. require many linkages and close coordination between Central and State agencies for success.

3. At present there is no institutional mechanism for all the agencies to interact and deliberate on issues and arrive at solutions collectively. Recognizing this and the significance of maritime affairs and the imperative to leverage the maritime/inland-waterways' potential in the States, the Ministry has decided to constitute **State Maritime & Waterway Transport Committees (SMWTCs)** to coordinate the implementation of the wide array of initiatives and schemes in the maritime/ Waterways sector in the respective States.

4. A unified approach is essential to effectively harness the waterway transportation potential. Thus, the establishment of dedicated SMWTCs will be pivotal in consolidating efforts and providing focused leadership in this realm in the State. Through strategic coordination, diligent monitoring and proactive intervention, these committees can be agents that can unlock the full potential of the State's maritime/ waterway resources, paving the way for a brighter and more prosperous future for our coastal and river communities and the Nation as a whole.

5. The Broad Terms of reference (ToR) for the SMWTCs are given in **Annexure 1.** The list of States / UTs where SMWTCs are to be constituted is given in **Annexure 2.**

6. **Composition of SMWTC :**

For each State, the SMWTCs shall be headed by Chief Secretary/ Additional Chief Secretary and composed of the following members:

- **Chair**: Chief Secretary OR Additional Chief Secretary (Water transport & Ports) nominated by Chief Secretary.

Members:

- Major Port Chairperson (*for Coastal States*): Member Convener
- Representative from Regional/ Zonal office of Inland Waterways Authority of India (IWAI) (for non-coastal States): Member Convener
- CEO, Maritime Board (*for Coastal States*)
- Representative from State PWD/ Waterways/ Water Resources Dept.
- Representative of the Inland Waterways/Transport Dept.
- Representative from Dept. of Tourism in State
- Representative from Dept. of Fisheries in State
- Representative from Regional/ Zonal Office of Railways
- Representative from Regional/ Zonal Office of NHAI
- Representative from Regional Office of Customs (*for Coastal States*)
- Representative from DGLL (*for Coastal States*)
- Representative from MMD in State (*for Coastal States*)

7. The SMWTCs shall meet Quarterly and arrive at its recommendations, and suggested action plans for each focus area, ensuring clarity, transparency, and relevance in the documentation, facilitating informed decision-making by relevant authorities. The reports of such meetings shall be submitted to the Ministry. Further, the Ministry may convene meetings with the SMWTCs from time to time.

8. It is requested that Chief Secretaries/ Addnl. Chief Secretaries of the States may please form the committees with nominations from the various departments as per the SMWTC composition, by 30 April 2024. The details of the members of the respective SMWTCs may be sent to Sagarmala Cell, MoPSW at sagar.mala@gov.in and vinay.prajapati@nic.in.

Terms of References (ToR)

The broad terms of reference for the State Maritime & Waterway Transport Committees are given below. These ToRs aim to guide the Committees in addressing critical aspects of the maritime sector in the state, promoting sustainable development, and contributing to the overall economic growth and well-being of the State.

I. Maritime & Waterways Master Plan

a. Preparation of a **State specific Maritime and Waterways Transport Master Plan**. The Master Plan may have components such as Waterways development, Inland and Coastal Berths and terminals, skill development, Urban Water Transportation, cruise/ river cruise, Passenger/RoRo and RoPAx ferries, Seaplane services, Floating Jetties, Fishing Harbours, etc. It may be noted that MoPSW had already requested Maritime Boards of coastal States to prepare a Maritime Master Plan. SMWTCs can coordinate and ensure incorporation of waterways development plan also in the Master Plan, and the same to be prepared for non-coastal States having waterways also. SMWTCs will oversee the preparation and subsequent implementation of the Master Plan of the State.

b. Establish clear timelines, milestones, and performance indicators to track progress and ensure accountability.

c. Regularly review and update the Maritime & Waterways Master Plan based on evolving priorities, emerging challenges, and feedback from stakeholders.

II. Monitoring Implementation of Projects and Schemes

a. Monitor the implementation of the initiatives and projects as outlined in the Maritime Master Plan, and other MoPSW sponsored schemes and projects / initiatives, such as Sagarmala, within the State.
b. Allocate resources and establish project teams or task forces to oversee the execution of each project.
c. Monitor project progress regularly and address any issues or bottlenecks to ensure timely completion.
d. Foster collaboration with relevant government agencies, private sector partners, and international organizations to leverage expertise and resources for project implementation.

III. Achievement Assessment

a. Define key performance indicators (KPIs) and benchmarks to measure the success of implemented initiatives and projects.

b. Conduct regular assessments to evaluate the effectiveness of implemented initiatives in achieving their intended outcomes.
c. Solicit feedback from stakeholders and incorporate lessons learned into future planning and implementation efforts.
d. Prepare reports summarizing achievements, challenges, and recommendations for improvement.

IV. **Maritime Sector Policies**

a. Conduct reviews of existing maritime sector policies in the State to identify gaps and areas for improvement.
b. Help in formulating new policies or amend existing ones to ensure that policies promote sustainable development, safety, security, and competitiveness within the maritime sector, thereby improving the maritime ecosystem.
c. Consult with industry stakeholders, legal experts, and regulatory agencies to ensure policy coherence and effectiveness.

V. **Output/Outcome Evaluation of Maritime and Waterway Initiatives**

a. Evaluate the outputs and outcomes of maritime initiatives within the State. Establish performance metrics aligned with the objectives of each initiative to measure effectiveness and impact.
b. Collect relevant data and conduct regular assessments to track progress and identify areas for improvement.
c. Engage with stakeholders to gather feedback and insights on the perceived value and impact of implemented initiatives.
d. Use evaluation findings to inform decision-making, allocate resources efficiently, and optimize future implementation efforts.

VI. **Security, Safety, and Disaster Management**

a. Strengthen maritime/waterway security infrastructure, including surveillance systems, patrol vessels, and port security measures within the State
b. Ensure Statutory Compliances such as ISPS, NSPC, POL, Security, Customs, Pollution, etc for all ports and terminals in the State.
c. Develop and implement contingency plans for various maritime emergencies, including oil spills, natural disasters, and security threats.

VII. **Green Initiatives**

a. Promote the adoption of eco-friendly technologies and practices across the sector in the State, including vessel emissions controls, alternative fuels, and waste management solutions
b. Implement regulations and standards to enforce compliance with environmental laws and promote sustainability in maritime operations.
c. Monitor and evaluate the effectiveness of green initiatives and adjust strategies as needed to achieve desired environmental outcomes.

VIII. **Waterways Development**

a. Assess the existing waterway infrastructure and potential for development within the state in collaboration with IWAI.

b. Formulate a detailed Waterways Development Plan, outlining short-term and long-term objectives (with special focus on Cargo, Passengers, River and Cruise Tourism), prioritized projects, and resource allocation in collaboration with IWAI.
c. Monitor the progress of waterway development initiatives, track KPIs, and conduct periodic evaluations to identify challenges and opportunities for improvement.
d. Engage in proactive communication and outreach efforts to garner support from stakeholders and the general public.
e. Continuously explore innovative solutions and best practices in waterway management and development, seeking to optimize efficiency, safety, and environmental stewardship.

IX. **Cruise Tourism (Ocean / River)**

a. Develop infrastructure and facilities to support the growth of cruise tourism within the State.
b. Improve accessibility and connectivity of ports and terminals to accommodate the vessels.
c. Enhance the quality of services and amenities available to passengers and ferry commuters, including terminal facilities, transportation options, and tourism options.
d. Collaborate with tourism operators, private operators, and local communities to promote and market cruise services effectively.

X. **Urban Water Transportation (Ferries / Ro-ro / Ro-Pax)**

a. Develop infrastructure and facilities to support the growth of ferry services, and urban water transportation within the State.
b. Improve accessibility and connectivity of ports and terminals to accommodate the vessels.
c. Enhance the quality of services and amenities available to passengers and ferry commuters, including terminal facilities, transportation options.
d. Collaborate with private operators, and local communities to promote and market ferry services effectively.

XI. **Development of Lighthouses**

a. Promote tourism at lighthouses and conserve heritage structures while offering a unique lighthouse-based tourism experience.
b. Compile and analyse data related to lighthouses, heritage conservation, tourism potential, tourism footfall, etc.

XII. **Cargo Traffic**

Maintain and compile data related to cargo traffic for all ports within the State, monthly, quarterly, yearly, etc., both coastal and EXIM, including cargo traffic for different commodities.
